

ACKNOWLEDGMENTS TO REFEREES

The editors are indebted to their many colleagues who assist them in the assessment of manuscripts. The value of these referees cannot be overstated: their work is a continuous service to the profession. The following is a list of people who have read at least one paper in 2013. We take this opportunity to thank this supportive community of scholars.

TAHIR ABBAS	RAYMOND BARRANCO	ENOBONG HANNAH
GABRIEL ABEND	DAVIDE BARRERA	BRANCH
JURGITA ABROMAVICIUTE	CATHERINE BARRY	JENNIE BRAND
EDWIN ACKERMAN	TIM BARTLEY	PHILIPP-SOEREN BRANDT
